

8 April 1965

AT

Dear Rock,

The attached briefing charts for PAR 207, Contact Printer
Study, are approved with the changes appearing in the comment thereon.

Sincerely,

Will

Declass Review by NGA.

20 January 1965

Dear Russ:

With this note I am sending you the first package of briefing aid sketches, as follows:

<u>PAR No.</u>	<u>No. of Charts</u>
202 & 224	4 OK with change left <input type="checkbox"/> 19 mar STAT
206	3 New charts being furnished
207	4 OK 8 April
211	3 4, OK with qualifications 19 Apr.
212	4 OK 18 mar
213	9 OK with qualifications 5 May
214	3 OK with qualifications 4 May
215	2 OK with qualifications 4 May
217	1 OK 18 mar
222	5 36 OK 18 mar

The balance of the material should be ready next week and we will send it down for review then.

The Polaroid shots are not final art work but are included only to suggest how color will be used in the new boards. Two copies of the spec we are working to are included.

I'm hoping that when you come up toward the end of the month you'll bring enough sketches back to permit us to proceed full bore on the final art work.

Best Regards,

Rock

Rock
